

# TOP BASS TOURNAMENT TRAIL

*The Team Lindy's Open*  
May 29, 2010 on Saginaw Bay

## TOURNAMENT RESULTS

Top Bass Tournament Trail, held its first tournament of the 2010 season, on Saginaw Bay, out of Lindy's Marina, on the Quanicassee River. This event was named "*The Team Lindy's Open*", after one of our very good sponsors. Also, everyone who fished this event was given a spinner bait, from **Kadco Tackle Mfg.**, at registration.

The weather for this tournament started with light winds, sunny, and a temp around 80 for the day. As the day went on, the winds went up, and it became very rough on the bay, before the tournament ended. The fishing was good, as we had 34 limits come to the scales. We also had 7 anglers who could not weigh-in, due to being over 10 min. late getting in, and were disqualified, because of the rough bay.

**Congratulations** to Matt Belletini, from Rochester, MI, who won this event with a nice limit of smallmouth, that turned the scales at 23.27#. Second Place went to Skip Johnson, from Goodell's MI, with another limit of Smallmouth that weighed 22.99#. Third Place went to Greg Sochocki, from Bridgeport, MI with 22.25#, after a one pound penalty for being 1 min. late. Big Bass for the tournament, went to Jeff Cox, from Saline, MI, with a nice 5.54# smallmouth. **A special Thank You**, to Lisa and her Parents at Lindy's for all that they have done!
